It’s Five O’Clock Somewhere v1

Jim “Moose” Brown, Don Rollins
(as recorded by Alan Jackson with Jimmy Buffet 2003)

INTRO: [D] [G] [A] [D] [D]
The **[D]** sun is hot and **[A]** that old clock is **[D]** movin' slow
An' **[A]** so am I
The **[D]** work day passes **[A]** like molasses in **[Bm]** wintertime
But **[A/D]** it's July

I'm gettin' **[G]** paid by the hour, an' **[D]** older by the minute
My **[A]** boss just pushed me **[D]** over the limit
I'd like to **[G]** call him somethin'
I **[D]** think I'll just call it a **[A]↓** day **[A]↑[A]↓[A]↑[A]↓**

CHORUS: [D] Pour… me somethin' **[G]** tall an' strong
Make it a **[A]** "Hurricane" before I **[D]** go insane
It's **[D]** only half-past **[G]** twelve, but I don't **[A]** care **[A]↓**
It's five o'clock **[D]** somewhere **[G] [A] [D] [D]**

Oh **[D]** this lunch break is **[A]** gonna take all **[D]** afternoon
An' **[A]** half the night
[D] Tomorrow mornin' **[A]** I know there'll be **[Bm]** hell to pay
Hey, but **[A/D]** that's all right

I ain't **[G]** had a day off now, in **[D]** over a year
Our **[A]** Jamaican vacation's gonna **[D]** start right here
If the **[G]** phone’s for me
You can **[D]** tell 'em I just sailed a-**[A]↓**way **[A]↑[A]↓[A]↑[A]↓**

CHORUS: An’ **[D]** pour… me somethin' **[G]** tall an' strong
Make it a **[A]** "Hurricane" before I **[D]** go insane
It's **[D]** only half-past **[G]** twelve, but I don't **[A]** care **[A]↓**
It's five o'clock **[D]** somewhere **[G] [A] [D] [D] [G] [A] [D]**

BRIDGE: I could **[Bm]** pay off my tab, pour my-**[G]**self in a cab
An' be **[G/A]** back to work before **[D]** two
At a **[Bm]** moment like this, I **[G]** can't help but wonder
[Em]↓ What would Jimmy Buffet **[A]↓** do?

CHORUS: He’d say **[D]** pour… me somethin' **[G]** tall an' strong
Make it a **[A]** "Hurricane" before I **[D]** go insane
It's **[D]** only half-past **[G]** twelve, but I don't **[A]↓** care
[A]↑[A]↓[A]↑[A]↓ <repeat>
It's five o'clock **[D]** somewhere **[D]↓**
