Alan Jackson, 1993

Intro: [G] [G] [G] [D7/G]

[G] Way down yonder on the [G] Chattahoochee
[G] It gets hotter than a [D7/G] hoochie-coochie
[G] We laid rubber on the [G] Georgia asphalt
[G] We-got-a-little-crazy-but-we [D7/G] never got caught
[C] Down by the river on a [C] Friday night
[G] A pyramid of cans in the [D7/G] pale moonlight
[C] Talking 'bout cars and [C] dreaming 'bout women
[A7] Never had a plan just a [D7] livin' for the minute [D7]

Chorus: Yeah [G] way down yonder on the [G] Chattahoochee
Never [G] knew how much that muddy water [D7/G] meant to me
But I [G] learned how to swim and I [G] learned who I was
A [G] lot about livin' and a [D7/G] little 'bout love [G] [G] [G] [D7/G]

Well we [G] fogged up the windows in [G] my old Chevy
[G] I was willing but [D7/G] she wasn't ready
So I [G] settled for a burger and a [G] grape snow cone
[G] Dropped her off early but I [D7/G] didn't go home
