INTRO: [C] [C]

CHORUS: Ain't nothin' that a [Dm] beer can't fix, [G] ain't no pain it can't
[C] wash awa-aay [Am] From the moment that it [Dm] hits your lips,
[G] makes those clouds look a [C] little less grey [Am] Oh you could be
[Dm] lonely, heart-[G7] broken, hung-[C] over from the night [Am] before
Turn that frown into a [Dm] smile real quick,
[G] there ain't nothin' that a [C] beer can't fix [C]

But you ain't [C] got a clue how to [Am] ask,
You and your [Dm] girl had a fight, and now she's [G] saying goodbye,
she ran up-s[C] tairs and packed her [Am] bags
It could be [Dm] raining' on your perfect [G] vacation

[G] there ain't nothin' that a [C] beer can't fix [C]

You're on a [Dm] lake and you're fishin', it's hot and [G] all that you're gettin'
Is a [C] little nibble here and [Am] there, you're sittin' [Dm] watchin' your team
Losin' that [G] championship ring, and you're [C] feelin' like life ain't [Am] fair
It could be [Dm] raining' on your perfect [G] vacation
You could be [C] stressed about your work situ-[Am] ation

CHORUS: Ain't nothin' that a [Dm] beer can't fix, [G] ain't no pain it can't
[C] wash awa-aay [Am] From the moment that it [Dm] hits your lips,
[G] makes those clouds look a [C] little less grey [Am] Oh you could be
[Dm] lonely, heart-[G7] broken, hung-[C] over from the night [Am] before
