JERSEY ON THE WALL v2

Tenille Townes, 2019

4/4 time: dDdD?

There's a **[C]** jersey on the **[C]** wall,
In a high-school **[Am]**gym in my home-**[Am]**town
In the **[F]** corner, by the **[F]** scoreboard
Where the **[G]** bleacher seats fold **[G]** down.
Twenty-**[C]** seven took the **[C]** Tigers, To the **[Am]** finals that **[Am]** year
But **[F]** that's not **[F]** why it's hanging **[G]** there **[G]**

If I **[C]** ever get to **[C]** Heaven,
You know I got a **[Am]** long list of **[Am]** questions
Like how **[F]** do You make a **[F]** snowflake?
Are You **[G]** angry when the **[G]** Earth quakes?
How does the **[C]** sky change in a **[C]** minute?
How do You **[Am]** keep this big rock **[Am]** spinnin'?
And why **[Am]** can't You stop a **[G]** car from **[F]** crashin'? **[F]**
For**[F]-**give me, I'm just **[G]** as-**[C]** kin' **[C]**

I bet **[C]** somewhere, there's a **[C]** yearbook
In a **[Am]** box under a **[Am]** bed. With a **[F]** senior picture **[F]** missin'
In Loving **[G]** Memory in-**[G]** stead
And **[C]** somewhere there's a **[C]** mother
Who **[Am]** stopped goin' to **[Am]** church
'Cause Your **[F]** plan quit makin' **[F]** sense down here on **[G]** Earth **[G]**

If I **[C]** ever get to **[C]** Heaven
