MARSHMALLOW WORLD IN THE WINTER v8

Carl Sigman(lyrics), Peter De Rose(music), 1949

Intro: [G][D][G][G]

It's a **[G]** marshmallow world in the **[G]** winter,
When the **[G]** snow comes to cover the **[D7]** ground.
It's the **[C/D7]** time for play; it's a **[G/Em]** whipped cream day.
I **[C]** wait for it all year **[D7]** round.

Those are **[G]** marshmallow clouds being **[G]** friendly,
In the **[G]** arms of the evergreen **[D7]** trees.
And the **[C/D7]** sun is red like a **[G/Em]** pumpkin head.
It's **[C/D]** shining so your nose won't **[G]** freeze.

Bridge: The **[G7]** world is your snowball; **[C/Am]** see how it grows**.** **[Dm/G7]** That's how it goes, **[C]** whenever it snows.
The **[A7]** world is your snowball **[D]** just for a song.
Get **[A7↓]** out and roll it **[D7]** along.

It's a **[G]** yum-yummy world made for **[G]** sweethearts.
Take a **[G]** walk with your favorite **[D7]** girl.
It's a **[C/D7]** sugar date; what if **[G/Em]** spring is late?
In **[C/D]** winter, it's a marshmallow **[G]** world.
