[D] Poor, old, **[D]** granddad I **[Em7]** laughed at all his **[Em7]** words
I **[D]** thought he was a **[D]** bitter man He **[Em7]** spoke of women's **[Em7]** ways
They'll **[D]** trap you, then they **[D]** use you And be-**[Em7]**fore you even **[Em7]** know
For **[D]** love is blind and you're **[D]** far too kind Don't **[Em7]** ever let it **[Em7]** show

Chorus:
I **[D]** wish, that, **[D]** I knew what I know **[Em7]** now **[G]** When I was younger
I **[D]** wish, that, **[D]** I knew what I know **[Em7]** now **[G]** When I was stronger

INSTRUMENTAL: <doo doo's> **[D] [D] [Em7] [G] [D] [D] [Em7] [G]**

The **[D]** Can-Can's such a **[D]** pretty show It **[Em7]** steals your heart a**[Em7]-**way
But **[D]** backstage, **[D]** back on earth again The **[Em7]** dressing rooms are **[Em7]** grey
They **[D]** come on strong, and it **[D]** ain't too long 'Fore they **[Em7]** make you feel a **[Em7]** man
But **[D]** love is blind and **[D]** you soon will find You're **[Em7]** just a boy a**[Em7]-**gain

Chorus:
I **[D]** wish, that, **[D]** I knew what I know **[Em7]** now **[G]** When I was younger
I **[D]** wish, that, **[D]** I knew what I know **[Em7]** now **[G]** When I was stronger

INSTRUMENTAL: [D] [D] [Em7] [G] [D] [D] [Em7] [G]

When you **[D]** want her lips, you **[D]** get her cheek Makes you **[Em7]** wonder where you **[Em7]** are
If you **[D]** want some more, then **[D]** she's fast asleep Leaves you **[Em7]** twinklin' with the **[Em7]** stars
[D] Poor, young, **[D]** grandson There's **[Em7]** nothing I can **[Em7]** say
You'll **[D]** have to learn **[D]** just like me And **[Em7]** that's the hardest **[Em7]** way

Chorus:
I **[D]** wish, that, **[D]** I knew what I know **[Em7]** now **[G]** When I was younger
I **[D]** wish, that, **[D]** I knew what I know **[Em7]** now **[G]** When I was stronger

Chorus:
I **[D]** wish, that, **[D]** I knew what I know **[Em7]** now **[G]** When I was younger
