Piña Colada Song (Escape) v2

Rupert Holmes 1979

Intro: [G] [D] [G] [G↓]

I was tired of my **[G]** lady, **[G]** We'd been together too **[D]** long**[D]**
Like a worn-out re-**[G]**cording **[G],** Of a favorite **[D]** song **[D]**

So while she lay there **[G]** sleeping **[G],** I read the paper in **[D]** bed **[D]**
And in the personal **[G]** columns **[G],** There was this letter I **[D]** read **[D]↓**

If you like Piña Co-**[G]**ladas **[G],** And getting caught in the **[D]** rain **[D]**
If you're not into **[G]** yoga **[G],** If you have half a **[D]** brain **[D7]**
If you'd like making love at **[G]** midnight **[G],** In the dunes **[D]** on the Cape **[D]**
Then I'm the love that you've **[G]** looked for **[G],** Write to me and es-**[D]**cape" **[D↓]**

I didn't think about my **[G]** lady **[G],** I know that sounds **[D]** kind of mean **[D]**
But me and my old **[G]** lady **[G],** Had fallen into the **[D]** same old dull rou-**[D]**tine

So, I wrote to the **[G]** paper **[G],** Took out a personal **[D]** ad **[D]**
And though I'm nobody's **[G]** poet **[G],** I thought it wasn't half **[D]** bad **[D↓]**

"Yes, I like Piña Co-**[G]**ladas, **[G]** And getting caught in the **[D]** rain **[D]**
I'm not much into **[G]** health food **[G],** I am into cham-**[D]**pagne **[D7]**

I've got to meet you by to-**[G]**morrow noon **[G]**
And cut through all this red **[D]** tape **[D]**
At a bar called O'-**[G]**Malley's **[G],** Where we'll plan **[D]** our escape" **[D↓]**

So I waited with **[G]** high hopes **[G],** And she walked in the **[D]** place **[D]**
I knew her smile in an **[G]** instant **[G],** I knew the curve of **[D]** her face **[D]**

It was my own lovely **[G]** lady, **[G],** And she said, "Ah it's **[D]** you" **[D]**
Then we laughed for a **[G]** moment **[G],** And I said, "I **[D]** never knew" **[D↓]**

That you like Piña **[G]** Coladas **[G],** And getting caught in the **[D]** rain **[D]**
And the feel of the **[G]** ocean **[G],** And the taste **[D]** of champagne **[D7]**
If you'd like making love at **[G]** midnight **[G],** In the dunes **[D]** on the Cape **[D]**
You're the lady I've **[G]** looked for **[G],** Come with me **[D]** and escape **[D↓]**

"If you like Piña Co-**[G]**ladas **[G],** And getting caught in the **[D]** rain **[D]**
If you're not into **[G]** yoga **[G],** If you have half a **[D]** brain **[D7]**

If you like making love at **[G]** midnight **[G],** In the dunes **[D]** on the Cape **[D]**
Then I'm the love that you've **[G]** looked for **[G],** Write to me and es-**[D]**cape" **[D↓]**
