INTRO: [C] ↓

[C] Right outside my window, All the [C] snow is coming down
The [Am] Brooklyn Bridge is blanketed, [Am] It's quiet all around
The [F] city lights are blinking bright, Just [F] like a Christmas tree
[G7] That I remember, [G7] From old Decembers

I've [C] got my favorite jacket on, There's [C] snowflakes in the air
We [Am] made a reservation, But we'll [Am] never make it the-erre
The [F] fire's too inviting, There's [F] nowhere I'd rather be
[G7] There's something-about-you, [G7] That I'm getting-used-to

[F] Baby just be [G7] mine, A kinda sorta [Em] Christmas Valen-[Am] tine
You're making every [Dm] day with you and [G7] I,
Feel like a [C] ve-ry me-rry [C7] Fe-bru-ary
[F] Baby just be [G7] mine, Just say-you'll-be-my
[Em] Christmas Valen-[Am] tine
I wanna make [Dm] every day a [G7] holiday with [C] you [C]

It [C] doesn't matter rain or shine, In [C] summer or in fall
If [Am] all the roses are in bloom, Or [Am] nothing is at a-all
'Cause [F] love it has no calendar, It's [F] always evergreen
[G7] Let's-make another-reason, [G7] To love the season

[F] Baby just be [G7] mine, A kinda sorta [Em] Christmas Valen-[Am] tine
You're making every [Dm] day with you and [G7] I,
Feel like a [C] ve-ry me-rry [C7] Fe-bru-ary
[F] Baby just be [G7] mine, Just say-you'll-be-my
[Em] Christmas Valen-[Am] tine
I wanna make [Dm] every day a [G7] holiday with [C] you [C]
