**INTRO: [F] [G7] [C] [C]**

**[F]** Saturday **[G7]** morning jumped out of **[C]** bed

**[F]** Got in my **[G7]** car, raced like a **[C]** jet, **[Am]** All the way to you
**[F]** Knocked on your **[G7]** door, with heart in my **[C]** hand

**BRIDGE: [F]↓** Can I have your daughter for the **[G7]↓** rest of my life?
Say **[C]↓** yes, say yes, 'cause I **[Am]↓** need to know
You say I'll **[F]↓** never get your blessing 'til the **[G7]↓** day I die
Tough **[C]↓** luck, my friend, but the **[Am]↓** answer is no

**CHORUS:**
**[F]** Why you gotta **[G7]** be so rude? **[C]** Don't you know I'm **[Am]** human too?
**[F]** Why you gotta **[G7]** be so rude? **[C]** I'm gonna **[Am]** marry her anyway

**[F] (Marry that girl) [G7]** Marry her anyway
**[C] (Marry that girl) [Am]** no matter what you say
**[F] (Marry that girl)** And **[G7]** we'll be a family
**[C]** Why you gotta **[Am]** be so rude?

**[F]** I hate to **[G7]** do this, you leave no **[C]** choice, can't **[Am]** live without her,
**[F]** Love me or **[G7]** hate me, we will be **[C]** boys, standing **[Am]** at that altar
**[F]** …..Or we will **[G7]** run away, **[C]** to another **[Am]** gal-axy, you **[F]** know
You know she's in **[G7]** love with me, **[C]** She will go **[Am]** any-where I go
