LET YOUR LOVE FLOW v5

Bellamy Brothers, 1976

INTRO: [G] [G]

There's a **[G]** reason, for the **[G]** sunshin-ey sky.
There's a **[G]** reason, why I'm **[G]** feelin' so high.
Must be the **[D7]** season, when that **[D7]** love light shines all **[G]** around us. **[G]**

So let that **[G]** feeling, grab you **[G]** deep inside.
And send you **[G]** reeling, where your **[G]** love can't hide.
And then go **[D7]** stealing, through the **[D7]** moonlit nights
With your **[G]** lover **[G]**

Chorus: Just let your **[C]** love flow, like a **[C]** mountain stream
And let your **[G]** love grow, with the **[G]** smallest of dreams
And let your **[D7]** love show. And you'll **[D7]** know what I mean
It's the **[G]** season **[G]**
Let your **[C]** love fly, Like a **[C]** bird on the wind
And let your **[G]** love bind you, To **[G]** all living things
And let your **[D7]** love shine, And you'll **[D7]** know what I mean,
That's the **[G]** reason **[G]**

There's a **[G]** reason, for the **[G]** warm sweet nights
and there's a **[G]** reason, for the **[G]** candle lights
Must be the **[D7]** season, when those **[D7]** love rites shine all **[G]** around us **[G]**

So let that **[G]** wonder, take you **[G]** into space
And lay you **[G]** under, its **[G]** loving embrace
Feel the **[D7]** thunder, As it **[D7]** warms your face
You can't hold **[G]** back **[G]**

Chorus: Just let your **[C]** love flow, like a **[C]** mountain stream
And let your **[G]** love grow, with the **[G]** smallest of dreams
And let your **[D7]** love show. And you'll **[D7]** know what I mean
It's the **[G]** season **[G]**
Let your **[C]** love fly, Like a **[C]** bird on the wind
And let your **[G]** love bind you, To **[G]** all living things
And let your **[D7]** love shine, And you'll **[D7]** know what I mean,
That's the **[G]** reason <repeat with fade> **[G↓] [D7↓] [G↓]**
