Tim Horton's/Timmy's Anthem (short) v2

Brad Nelson, 2010

INTRO: [C] [C]

<V1> I have **[C]** traveled 'cross this country from the **[C]** east coast to the west
from the **[F/C]** prairies to the rockies where the **[G7]** eagle makes it's nest
It's a **[C]** land of many cultures who have **[C]** settled far and wide
and now **[F/C]** call themselves Canadians and **[G7/C]** say the word with pride

<V2> So I've **[C]** come to the conclusion that we **[C]** share a common soul
but it's **[F/C]** not our vast geography and **[G7]** not that famous goal.
It's a **[C]** simple cup of coffee and a **[C]** pastry with a hole
it's the **[F/C]** power of Tim Horton's that has **[G7/C]** kept our nation whol

Chorus: So let's **[C]** roll boys roll, stand in **[C]** line to get your coffee
and let's **[G7]** roll boys roll, and some **[G7]** Timbits* dripped in toffee
and let's **[C]** roll boys roll, rolling **[C/F]** on toward the rim
you **[F/C]** can't get more Canadian than **[G7/C]** good old uncle Tim

<V3> There's a **[C]** Timmies in the U.S. to com**[C]**-pete with Krispy Crème
one in **[F/C]** Dublin and in London where you **[G7]** might just spot the queen.
There's a **[C]** Timmies in Orillia where **[C]** people meet and share
but there's **[F/C]** not one in Washago so don't **[G7/C]** bother stopping there.

<V4> Now we **[C]** exercise our right to Tim's with **[C]** families, teams and chums
and **[F/C]** three weeks a year at roll-up-time we **[G7]** exercise our thumbs
This is **[C]** part of our identity, the **[C]** true north strong and free
while we **[F/C]** stand on guard for Canada, we **[G7/C]** stand in line for thee

Chorus: So let's **[C]** roll boys roll, stand in **[C]** line to get your coffee
and let's **[G7]** roll boys roll, and some **[G7]** Timbits* dripped in toffee
and let's **[C]** roll boys roll, rolling **[C/F]** on toward the rim
you **[F/C]** can't get more Canadian than **[G7/C]** good old uncle Tim

you **[F]** can't get more Ca**[C]**-nadian than
than **[G7]** go-ood. **[G7]** o-ld. **[G7]** Un. **[G7]**-cle. **[C]** Tim. **[C] [C] [C]**↓
