I've been down this **[G]** road before,
[G] I remember every **[Am]** tree
[Am] Every single **[D]** blade of grass,
[D] Holds a special place for **[G]** me

[G] And I remember **[G]** every town, **[G]** And every hotel **[Am]** room
[Am] Every song I **[D]** ever sang, **[D]** On a guitar out of **[G]** tune **[G7]**

[Chorus:] I remember **[C]** everything
[C] Things I can't for-**[G]** get
[G] The way you turned and **[A7]** smiled at me
[A7] On the night that we first **[D]** met
[D7] And I remember **[C]** every night
[C] Your ocean eyes of **[G]** blue
[G] How-I-miss-you-in-the **[D]** morning light
[D] Like roses miss the **[G]** dew **[G↓]**

I've been down this **[G]** road before, **[G]** Alone as I can **[Am]** be
[Am] Careful not to **[D]** let my past, **[D]** Go sneaking up on **[G]** me

[G] Got no future in my **[G]** happiness,
[G] Though regrets are very **[Am]** few
[Am] Sometimes a little **[D]** tenderness,
[D] Was the best that I could **[G]** do **[G7]**

[Chorus:] I remember **[C]** everything
[C] Things I can't for-**[G]** get
[G] Swimming pools of **[A7]** butterflies
[A7] That slipped right through the **[D]** net
[D7] And I remember **[C]** every night
[C] Your ocean eyes of **[G]** blue
[G] How-I-miss-you-in-the **[D]** morning light
[D] Like roses miss the **[G]** dew **[G↓]**

How-I-miss-you-in-the **[D]** morning light
[D] Like roses miss the **[G]** dew **[G↓]**
